

# CS PLAYGROUND PARTNERS

## WHO WE ARE:

---

**Playground Partners** is a non-profit organization formed under the Cosumnes Community Services District Foundation. Our membership includes children, young adults, parents, and local government officials. All members are non-paid volunteers. Although we do not work for the Community Services District (CSD), we proudly recognize their partnership and valuable assistance that make our efforts possible.

With your help, we hope to build a bigger and better playground at half the cost of similar commercially constructed playgrounds by doing the work ourselves. The cost savings will translate into bigger and better play equipment for everyone to enjoy.

## OUR GOAL:

---

Our goal is to build a 15,000sf playground and water “sprayground” at the 30-acre Morse Community Park, at Bellaterra Drive and Fire Poppy Drive in East Franklin area of Elk Grove.

The playground amenities will include a Tot Lot for kids 2-5 years old, a massive main play area for children 5-12 years old, shade structures, and water sprayground for safe water play during the hot summer months.

The sprayground will be the first of its kind in the Elk Grove community and promises to attract young ones from throughout our area during the hot summer months.

The playground will be built by volunteer labor force in 5 days or less. The sprayground will be professionally installed by licensed contractors.

Park design elements were developed with input from school children, local community members, local government officials, architects, and other playground professionals.

The play structures will be modern in style, constructed in high quality man made materials, and

incorporate the latest technology to ensure our children’s safety.

Certified playground inspectors and specialist from the equipment manufacturer will be on site during the construction phase to ensure the playground meets all installation, safety, and design requirements.

## **BENEFITS:**

---

- Gain better playground amenities at a lower cost through our volunteer efforts, corporate sponsorship and fundraising.
- Meet new friends and neighbors during fundraisers, planning meetings, and build day activities.
- Build a stronger sense of community by investing our time in something that will last generations and make our city a better place to live.

## **WE NEED YOUR HELP!**

---

**To complete the project we will need to raise approximately \$350,000. In order to reach this goal we need your help!**

### **Support our fundraisers:**

---

Sign up for our free newsletter and we will notify you of our fundraising events. These are a fun and easy way to support a cause that will benefit your children, and your community as a whole.

### **Volunteer:**

We gladly accept all volunteer help you are willing to provide – No experience necessary! Opportunities exist for volunteering as little as 1 hour per month on up. Do you have a little extra time you could spare to help with one of our fundraisers? How about an evening stuffing envelopes? Want to be more active? Take a leadership role as a steering committee chairperson. If you have special skills or what to learn a new one let us know and we'll match our interests with our organizational opportunities. Visit our website for more information.

**Donate:** Make a tax-deductible contribution! 100% of your contributions will be used to pay for the playground (none of our volunteers are paid or receive any other incentives, nor do we charge overhead or other fees). You can make your donation by check, credit card, even paypal! Visit our website for details.

In addition, we have a special donor recognition program for large donations, named gifts, memorials, and corporate sponsorships.

**Ask us for details!**
